

HSCM Announces Series of Promotions

Hudson Structured Capital Management Ltd. (“HSCM”) is pleased to announce the below promotions, effective immediately.

Jacqueline Muschett, Bernard Opoku and Sara Shapiro have each been promoted from Vice President to Managing Director.

Jacqueline is the firm’s Head of Valuations and manages asset valuation across all its strategies. Bernard, based in Bermuda, has served as HSCM’s group controller since 2018, leading the firm’s financial reporting, audit, and accounting functions. Sara has served as the firm’s Head of Operations since 2018 and manages the firm’s operations from the Stamford office.

Wendy Wong-Tsang has been promoted from Deputy Chief Compliance Officer to Chief Compliance Officer. Wendy joined HSCM in April 2020 and has extensive experience managing buy-side compliance, regulatory and reporting matters.

Jonathan Hause has been promoted from Associate to Vice President. Hause, based in Stamford, is a senior member of the Transport investing team, focusing on aviation-related investments and has been with the team since 2018.

Amy Green has been promoted from Analyst to Associate in HSCM’s Re/Insurance investing team. Amy, based in Bermuda, began her career as an intern in 2017 and is concurrently studying to achieve an IFoA actuarial qualification.

Michael Millette, Managing Partner of Hudson Structured Capital Management Ltd., commented that “We are delighted with the accomplishments of each of these professionals and look forward to the continued development of their careers at HSCM.”

About HSCM

Hudson Structured Capital Management Ltd. (“HSCM”) is an asset manager focused on alternative investments seeking mezzanine level returns. Our focus is on the Re/Insurance and Transportation sectors. HSCM launched in 2016 and as of October 1, 2020 has more than \$2.5B in assets under management and committed capital. HSCM focuses on core economic sectors that are likely to outgrow global GDP, offer low correlations with broader markets, and are experiencing a shift from balance sheet and to market financing.
