## **HSCM Names 3 New Partners, Announces Other Promotions**

Hudson Structured Capital Management Ltd. (“HSCM”) is pleased to announce these promotions, effective October 1, 2021.

Matt Berdoff, Jason Braunstein and Wendy Wong-Tsang have been promoted from Managing Director to Partner.

Matt has developed and led the firm’s investor relations and business development efforts since the firm’s launch in 2016, contributing to over \$3.3 billion of capital commitments and assets under management.

Jason has led the firm’s transportation investment strategy alongside David Andrews as Deputy Chief Investment Officer and has led the firm’s maritime investment strategy and team since joining the firm in 2017.

Wendy joined the firm in 2020. She serves as Chief Compliance Officer and has developed the firm’s compliance policies and protocols and its team. She has extensive experience in buy-side compliance, regulatory and reporting matters.

Andrew Sagon has been promoted from Vice President to Managing Director. Andrew has helped to lead some of the firm’s largest re/insurance and insurtech investments.

Brandon Baron and Charlotte Kerr have both been promoted from Associate to Vice President. Brandon sits on the team’s insurtech-focused HSCM Ventures strategy, among other responsibilities. Charlotte has served as Assistant Controller since 2019 and has played a pivotal role in developing the firm’s portfolio management functions.

Catherine Zhu also was promoted from Analyst to Associate. She is a member of the Transport investment team, joining the firm in 2018.

“We are delighted to add to our partner group this year with three outstanding citizens of HSCM,” said Michael Millette, Managing Partner of Hudson Structured Capital Management Ltd. “Talent is our lifeblood, and we are proud of the development of talent within the firm that these promotions reflect.”

### **About HSCM**

Hudson Structured Capital Management Ltd. is an asset manager focused on alternative investments seeking mezzanine level returns. Our focus is on the Re/Insurance and Transportation sectors. HSCM launched in 2016 and as of July 1, 2021, has more than \$3.3 billion in assets under management and committed capital. HSCM focuses on core economic sectors that are likely to outgrow global GDP, offer low correlations with broader markets, and are experiencing a shift from balance sheet and to market financing.
